MD Anderson Cancer Center

***Immune Checkpoint Blockade
in Cancer Therapy:
New Insights, Opportunities
and Prospects for Cures***

Focus

In keeping with the spirit of the original MEN workshop, MEN2019 will focus on emerging topics in the genesis and therapy of malignant endocrine tumors associated with multiple endocrine neoplasia. The goal of the workshop will be to provide an outline for basic and clinical research focused on these malignant manifestations. The meeting will bring together local and international experts on multiple endocrine neoplasia to focus on these subjects.

A significant portion of the meeting will be spent in workshops centered on emerging topics and the development of an international roadmap for future research and clinical trials.

The remainder of the meeting will be composed of large group didactic sessions. The University of Texas MD Anderson Cancer Center is a leader in the development of new therapies for cancer. Our goal is to combine the extensive local scientific and clinical talent at MD Anderson along with international experts to allow focus on emerging topics including new directions in immunotherapy, emerging concepts in the use of signaling pathway inhibitors, genetic diagnosis & therapy and new clinical advances that impact management of endocrine tumor syndromes.

A specific outcome of this conference will be a white paper summarizing the goals of this work.

Educational Objectives

After attending the conference, participants should be able to:

- Identify and utilize alternative therapies to the traditional targeted therapy for the treatment of medullary thyroid cancer that may benefit their patients (*Knowledge, Competence, Performance*);
- Gain an awareness of modern therapy for pancreatic neuroendocrine tumors so that the most efficacious therapy may be delivered (*Knowledge, Competence, Performance, Patient Outcomes*);

- Utilize options to treat symptoms of excessive hormonal secretion in patients with malignant pheochromocytoma and paraganglioma (*Knowledge, Competence, Performance*);
- Understand menin function and telomere biology in pancreatic neuroendocrine tumors (*Knowledge*);
- Appreciate the clinical trials available for patients with parathyroid cancer and enroll them appropriately (*Knowledge, Competence, Performance*);
- Understand basic, clinical, and translational genetics with regard to TP53 germline predisposition in ACC patients (*Knowledge*).

Educational Methods

- Lecture/Didactic
- Poster Session
- Interactive Groups/Breakouts

Target Audience

This conference should be of value to clinicians (including physicians, nurse practitioners, physician assistants and genetic counselors), researchers and trainees (students, residents, and fellows).

Evaluation

A conference evaluation link will be included in the final program. This online survey will provide participants with the opportunity to comment on the value of the program content

to their practice decisions, performance improvement activities, or possible impact on patient health status. Participants will also have the opportunity to comment on any perceived commercial bias in the presentations as well as to identify future educational topics.

Accreditation/Credit Designation

Physicians

The University of Texas MD Anderson Cancer Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Texas MD Anderson Cancer Center designates this live activity for a maximum of 16.50 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CME Certificates and Attendance Verification Certificates

Certificates awarding *AMA PRA Category 1 Credit™* or certificates documenting attendance will be emailed when an individual completes the online CME Verification process.

Presentations – WILL BE AVAILABLE AFTER THE CONFERENCE

All of the PowerPoint presentations will be posted online after the conference. You will receive an invitation email from Study@MD Anderson to create a username and password to log into Study. If you do not receive this instructional email by April 8, 2019, please email ambarang@mdanderson.org.

CALL FOR ABSTRACTS

Deadline for Abstract Submission is **Wednesday, February 13, 2019.**

The Planning Committee invites the submission of abstracts. The goal is to provide the audience an opportunity to collaborate and stimulate discussions specifically on emerging topics in the genesis and therapy of malignant endocrine tumors associated with multiple endocrine neoplasia.

Authors may submit abstracts of completed work, work in progress, or work presented elsewhere.

Abstract Submission Instructions:

Abstracts will only be accepted electronically and should be uploaded to: MEN2019@mdanderson.org

Six abstracts will be chosen for an oral presentation. The remainder of the selected abstracts will be presented in a poster session.

The deadline for receipt of abstracts is 11:59 PM CST on Wednesday, February 13. Notification of acceptance for oral and/or poster presentations will be acknowledged by e-mail by Friday, March 1, 2019.

Abstract Formatting Instructions:

Please indicate in your abstract whether you would like to be considered for an oral presentation, a poster or both. 200 word limit. Limit abstracts to one page, type in 12-point Times New Roman font, single spaced with one-inch margins, and left justified. Organize the abstract into: Background, Methods, Results, and Conclusions. Define all abbreviations. Include the abstract title, full names, and institutional affiliations of all authors, and e-mail address of the corresponding author at the top of the abstract. Underline the name of the presenting author. Abstracts must not contain copyrighted material unless permission has been obtained by the author/publisher.

The Association for Multiple Endocrine Neoplasia Disorders (AMEND USA) will be awarding the top oral presentation with a \$500 prize. We'd like to thank them for this generous contribution to the MEN 2019 16th International Workshop.

Conference Agenda

TUESDAY, MARCH 26

5:30 pm Registration and Welcome Reception – Mays West Lobby

A Celebration of the 50th anniversary of screening for Hereditary Medullary Thyroid Cancer

WEDNESDAY, MARCH 27

7:00 am Registration and Continental Breakfast

8:00 **Welcome and Opening Remarks**
Elizabeth Grubbs, MD

8:05 **Welcome**
Peter Pisters, MD

8:10 **History of World MEN Conference**
Robert Gagel, MD

8:15 **Presentation of Lifetime Achievement Award**
Rajesh V. Thakker, FRS FMedSci

PANCREATIC NEUROENDOCRINE TUMORS

Moderator: Jeffrey E. Lee, MD

8:30 **State of the Science in Pancreatic Neuroendocrine Tumors**
Daniel Halperin, MD

8:50 **Emerging Therapies and Epigenetics**
Kate Lines, PhD

9:10 **Menin and Telomeres in Pancreatic Neuroendocrine Tumors**
Christopher M. Heaphy, PhD

9:30 **Observational Studies of Tumor Growth**
Samira Sadowski, MD

9:50 **Perioperative Clinical Trials**
Matthew HG Katz, MD

10:10 **Poster Preview Presentations**
- 3 at 5 minutes each

10:25 Break/Poster Viewing

11:10 Panel Discussion: Common Failures in Rare Diseases (optional, non-CME)
Moderator: Steven Sherman, MD
Panelists: Anne Borgman, MD;
Giulio Draetta, MD, PhD;
George A. Fisher, Jr., MD;
Dwight Vicks III, MBA;
James C. Yao, MD

12:15 Lunch (provided)- Working Lunch

MEDULLARY THYROID CANCER

1:00 **Emerging Therapies In MTC**
RET Inhibitor LOXO-292
Lori J. Wirth, MD

RET Inhibitor BLU-667
Mimi I. Hu, MD

Future Trial Development for MTC
Vivek Subbiah, MD

1:45 **Transcriptional Targeting of OncoGene Addiction in MTC**
Matthew D. Ringel, MD

2:05 **Lessons Learned From TCGA and Other Large Scale Genomics Programs**
Kenna Shaw, PhD

2:30 Break/Poster Viewing

2:45 pm – 4:45 **Disease Site Working Groups** (choose one)

- Medullary Thyroid Cancer
- Parathyroid Cancer
- Pancreatic Neuroendocrine Tumor (PNET)
- Malignant Pheo/PGL

4:45 pm Adjourn

THURSDAY, MARCH 28

7:00 am Registration and Continental Breakfast

7:30 Breakfast Talk - Hereditary Gastrointestinal Neuroendocrine Tumors (optional, non-CME)
Sponsored by Lexicon
Arvind Dasari, MD and Boris Naraev, MD, PhD

8:00 **Welcome and Opening Remarks**

MALIGNANT PHEOCHROMOCYTOMA AND PARAGANGLIOMA

8:10 **State of the Science in Malignant Pheochromocytoma and Paraganglioma**
Roderick Clifton-Bligh, BSc (med), MBBS (hons), FRACP, PhD, FFS (RCPA)

8:30 **Radiopharmaceuticals, Tyrosine Kinase Inhibitors and Immunotherapy for Patients with Malignant Pheochromocytoma and Paraganglioma**
Camilo Jimenez, MD

8:50 **Pseudohypoxia as a Therapeutic Target: Lessons from Clusters One and Two**
Patricia L. Dahia, MD, PhD

9:10 **Epigenetic Characteristics of Paraganglioma Syndrome Type 4**
Mercedes Robledo, PhD

9:30 **Enabling Replicative Immortality in Pheochromocytoma and Paraganglioma**
Anne-Paule Gimenez-Roqueplo, MD, PhD

9:50 Break/Poster Viewing

10:00 **Plenary Session: Immune Checkpoint Blockade in Cancer Therapy: New Insights, Opportunities and Prospects for Cures**
James Allison, PhD

11:00 **Poster Preview Presentations**
- 3 at 5 minutes each

11:15 Break/Poster Viewing

11:45 Lunch (provided) - Working Lunch

PARATHYROID CANCERS

12:15 pm **Presentation of FIRMO Parathyroid Medal**

12:20 **Genetic Syndromes of PHPT and Parathyroid Cancer**
Maria-Luisa Brandi, MD

12:40 **Genetic and Molecular Alterations in Parathyroid Cancer**
Andrew Arnold, MD

1:00 **In Vivo Roles of CDC73: Insights From Mutant Mouse Models**
Rajesh V. Thakker, FRS FMedSci

1:20 **The Role of Local Therapies in Parathyroid Cancer: Surgery and Radiotherapy**
Nancy Perrier, MD

1:40 **Targeted Therapies and Trials in Parathyroid Cancer**
Naifa Busaidy, MD

2:00 Break/Poster Viewing

2:20- 4:20 **Disease Site Working Groups** (choose one)

- Medullary Thyroid Cancer
- Parathyroid Cancer
- Pancreatic Neuroendocrine Tumor (PNET)
- Malignant Pheo/PGL

4:30 Adjourn

6:30 pm Dinner at Space Center Houston

FRIDAY, MARCH 29

7:00 am Registration and Continental Breakfast

8:00 **Welcome and Opening Remarks**

PITUITARY, ADRENAL CORTEX AND ADRENOCORTICAL TUMORS

Moderator: Steven Waguespack, MD

8:10 **Aggressive Pituitary Tumors: An Update on Pathologic Features and Genomics**
Gérald Raverot, MD, PhD

8:25 **What is New in Familial Isolated Pituitary Adenoma?**
Albert Beckers, MD, PhD

8:40 **X-LAG: An Update**
Constantine Stratakis, MD, DMSci

8:55 **Adrenocortical Tumors: Novel Insights into Pathogenesis of Malignant Adrenocortical Tumors**
Tobias Else, MD

9:10 **Benign Adrenocortical Tumors**
Jérôme Bertherat, MD, PhD

9:25 **VHL as a Paradigm for the Simultaneous Treatment of Multiple Hereditary Tumors**
Eric Jonasch, MD

9:40 **VHL and Pancreatic NETs: An Update**
Electron Kebebew, MD

10:30 Break/Poster Viewing

10:45 **Summary of Working Groups and AMEND USA Award Presentation**

12:00 pm Adjourn

The University of Texas MD Anderson Cancer Center has implemented a process whereby everyone who is in a position to control the content of an educational activity must disclose all relevant financial relationships with any commercial interest that could potentially affect the information presented. MD Anderson also requires that all faculty disclose any unlabeled use or investigational use (not yet approved for any purpose) of pharmaceutical and medical device products. Specific disclosure will be made to the participants prior to the educational activity.

Agendas are subject to change because we are always striving to improve the quality of your educational experience. MD Anderson may substitute faculty with comparable expertise on rare occasions necessitated by illness, schedule conflicts, and so forth.

Photographing, audio taping and videotaping are prohibited.

The University of Texas MD Anderson Cancer Center does not endorse the commercial products, equipment, or services presented by program supporters/exhibitors.

Please let us know what specific topics, issues or questions you wish to see addressed or emphasized in this activity. Fax or e-mail CME/Conference Management. All responses will be forwarded to the Program Chairs for consideration.

We sincerely hope you can join us for dinner at Space Center Houston on Thursday, March 28. There will be a special presentation from Col. Jack D. Fischer who is the vice commander of the 50th Space Wing, Air Force Space Command at Schriever Air Force Base in Colorado Springs, Colorado.

Col. Fischer is a distinguished graduate of the U.S. Air Force Academy and a Massachusetts Institute of Technology Draper Fellow. He flew two combat tours in the F-15E as part of Operation Southern Watch, Operation Enduring Freedom and Operation Southern Focus. As a distinguished graduate from the U.S. Air Force Test Pilot School, he also conducted flight and weapons testing in multiple variants of the F-15 and the F-22. Fischer then served nine years as an astronaut at NASA, including a 2017 mission to the International Space Station where he logged 136 days in space with two spacewalks.

Dinner will be held in the Astronaut Gallery beginning at 6:30 pm. Dinner tickets available when you register for the conference at www.men2019.com. Tickets are \$85/person. For more information about Space Center Houston, please visit <https://spacecenter.org/>.

Registration Information

Early registration and a Welcome Reception begin at 5:30 pm on Tuesday, March 26. On-site registration will begin at 7:00 am on Wednesday, March 27 and the Welcome and Introductions will begin at 8:00 am. Advanced registration is encouraged as space and materials are limited.

The deadline for advanced registration is Friday, February 15, 2019.

There are three ways to register:

1. Online at www.mdanderson.org/conferences
2. Fax to: 713-794-1724
3. Mail to: CME/Conference Management
Unit 1781
The University of Texas MD
Anderson Cancer Center
P.O. Box 301407
Houston, TX 77230-1407

We accept the following forms of payment:

- Check (payable through U.S. banks only)
- Money Order
- Credit Cards (MasterCard, VISA, and American Express)
- Cash (on-site registration only)

A receipt and confirmation letter will be sent to you within ten working days of receipt of your fee. The conference registration fee includes tuition, final conference agenda, continental breakfasts, breaks, lunch and a welcome reception. Please refer to the registration form for specific information regarding fees.

Refund/Cancellation Policy

The registration fee, minus a \$50 administrative handling fee, is refundable if a written request is received on or before **February 15, 2019**. No refunds will be granted after that date. The request for a registration

refund must include the tax identification number of the company or institution if registration was paid by a company or institution check.

CME/Conference Management reserves the right to cancel activities prior to the scheduled date, if low enrollment or other circumstances make it necessary. Each registrant will be notified by mail, e-mail, or the contact numbers as given on the registration form. In case of activity cancellation, liability of the CME/Conference Management is limited to the registration fee. CME/Conference Management will refund the full registration fee.

CME/Conference Management reserves the right to limit the number of participants in a program and is not responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.

For additional information, please contact CME/Conference Management at 713-792-2223 or toll free at 866-849-5866.

Special Assistance

Contact CME/Conference Management at 713-792-2223 or toll-free at 866-849-5866 if you have any special dietary or ADA accommodation needs.

Accommodations

- A block of rooms has been reserved for conference attendees at the **Wyndham Houston – Medical Center** located at 6800 South Main Street, Houston, Texas 77030.
- Early hotel reservation is suggested and the room block cutoff date is: **Tuesday, March 5, 2019**.
- The hotel phone number is 713-528-7744
- When you make reservations, be sure

to mention the group name: **Multiple Endocrine Neoplasia 2019** room block to be assured of receiving the special meeting rate of \$165 for a single or double guest room. Please add 17% Texas state and local taxes.

Additional Hotel

The [Intercontinental Houston Medical Center](http://www.intercontinental.com) just opened and is offering an MD Anderson rate of \$209/night. To book at this rate online, go to <https://bit.ly/2DiAEqP> (link is case-sensitive). You can also call the hotel at 713.422.2779 and ask for the MD Anderson rate. It is right next door to the Wyndham Houston Medical Center and both are walking distance to the conference location.

Ground Transportation

(prices are subject to change and variable depending on location of conference)

- Houston is served by two airports, George Bush Intercontinental (IAH) and William P. Hobby (HOU).
- Taxicabs are available at an estimated cost for \$50-60, to or from William P. Hobby Airport or George Bush Intercontinental Airport.
- Super Shuttle operates a shuttle bus between George Bush Intercontinental Airport and the Wyndham Houston Medical Center for \$27 one-way and \$54 round-trip. For more information, call 713-523-8888 or toll-free at 800-258-3826 or online at www.supershuttle.com.
- Super Shuttle operates a shuttle bus between William P. Hobby Airport and the Wyndham Houston Medical Center for \$24 one-way and \$48 round-trip. For more information, call 713-523-8888 or toll-free at 800-258-3826 or online at www.supershuttle.com.
