

6th WORLD CONGRESS

of Pediatric Gastroenterology,
Hepatology and Nutrition

02-05 June 2021

FISPGHAN &
ESPGHAN

Scientific content of the World Congress is still accessible online!

If you have missed a session or want to rewatch one, this is still possible for all registered participants! From now on all scientific sessions are available on **Congress Talks & Speakers**. The platform does not host all scientific content from the 6th World Congress but also from previous ESPGHAN Annual Meetings (starting from 2016 onwards).

To access **Congress Talks & Speakers**, please use the following link:
<https://www.espghanvirtualmeeting.org/>

Please use the same login data (e-mail address & password) used for logging into the virtual congress platform during the world congress week!

If you have difficulties or questions to register, please contact us at espghan@eurokongress.de.

Personal Thank you Message

from Prof. Sanja Kolacek & Prof. Berthold Koletzko

On behalf of FISPGHAN and ESPGHAN we would like to thank all faculty, abstract presenters, delegates and industry partners for making the **6th World Congress** a great success.
